Let's Start

Lesson 1

1 Who are they? Read and say.

This character flies around the Magic Forest, helping all the flowers and animals there. She loves fun and laughter, and she sometimes likes playing tricks! Her favourite day is Fairy Day, of course. Her favourite colour is pink and she loves happy children!

This character is the Guardian of the Magic Forest and he makes sure that everyone is safe and happy. He enjoys watching everyone in the Magic Forest – animals, children, fairies, pixies, elves – having a good time!

This character lives in the Magic Forest, too. He makes shoes for all the fairies in the forest, so he is usually very busy! He loves jogging, fishing and planting trees.

In pairs, write down as many questions as you can about the three characters. You have got five minutes.
