Go to the kitchen and work there all day!"  
So she cooked and she cleaned, all day and all night.  
"I'm trapped in this kitchen! This just isn't right!"

# Poor Cinderella

Oh, poor Cinderella!  
In the kitchen all day!  
She must cook and clean -  
she can't get away!

*Chorus:* She's all alone!  
She's all alone!  
She's trapped in that kitchen!  
She's trapped in that home!

Oh, poor Cinderella!  
She's cleaning all day  
the floors and the windows -  
she can't get away!

*Repeat chorus*
